

Up the slide they go! What can Kipper, Biff, Chip and Dad see from the very top?

- **Draw pictures of what you think they can see.**

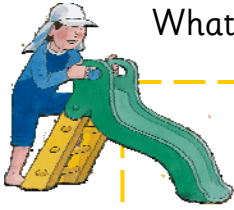

What can Kipper **see** from the top of the slide? Draw a picture here.

A large rectangular area outlined with a dashed yellow line, intended for drawing a picture of what Kipper can see from the top of the slide.

What can Biff **see** from the top of the slide? Draw a picture here.

A large rectangular area outlined with a dashed yellow line, intended for drawing a picture of what Biff can see from the top of the slide.

What can Chip **see** from the top of the slide? Draw a picture here.

A large rectangular area outlined with a dashed yellow border, intended for a child to draw what they can see from the top of the slide.

What can Dad **see** from the top of the slide? Draw a picture here.

A large rectangular area outlined with a dashed yellow border, intended for a child to draw what they can see from the top of the slide.

Now talk about what you think the characters might have heard when they were at the top of the slide.

Imagine going up to the top of a slide. Talk about what you can see and hear. How do you feel at the top?
