

## Picture squares

There is a picture on the next slide, but it has been covered up by four squares. Click on each square in turn and think about the questions. What clues can you find in the pictures?

- Where is Mum?
- What do you think Mum is looking at?
- Do you think Mum has already been on the slide?

- Why do you think Floppy is barking?
- What is he looking at?
- Who else do you think we will find in the picture?

- Why do you think Chip and Kipper are dressed in swimming clothes?
- Do you think they are wet. Why?
- Who does the yellow hat belong to?

- What is making Biff laugh?
- Would you be laughing if you were there? Why?
- What could you hear if you were in the garden?
