

Teaching notes

- Photocopy and cut out the word cards (one set per small group).
- After sharing the story with the children, ask groups to find and read the words 'It is' and 'did this'.
- Use the word cards to demonstrate how to create three different sentences:

Chip did this.

It is Biff.

This is Kipper.

- Invite the children to create their own sentences with the cards. These sentences can be recorded or just read out loud.
