## Finding your way around the curriculum pack

This pack is intended as an introduction to French for upper KS1 or lower KS2. It is broken down into 6 themed sections, each supported by a variety of teaching suggestions and resources. The sections are designed for the non-specialist teacher to dip into rather than to be followed as a series of lessons. This allows for the flexibility to work alongside a more structured sequence.

Sections comprise:

- **Quick 'n' easy** – for those times when you only have a few minutes
- **Time for more?** – if you have 30 minutes or more
- **Looking for a challenge** and **In need of a helping hand** – provide ideas for differentiation
- **How are you doing?** – assessment opportunities
- **Taking it home** – home-learning opportunities
- **Showing off!** – display ideas

Finally there is a **Keep things ticking over** section giving tips and ideas for ensuring that key aspects of language are revisited on a regular basis rather than just in isolated lessons.

We've included links to each separate resource included in this pack so that you can access the resources directly on [www.teachitprimary.co.uk](http://www.teachitprimary.co.uk). We've also included the file number for each original resource – just pop this into Teachit Primary's search engine. Lots of the resources in this pack are Word documents, but we've also included links to PowerPoints and interactive activities. Please log in first in order to access any of these resources on Teachit Primary.

We hope you enjoy using this pack. If you have any questions, please get in touch: email [support@teachitprimary.co.uk](mailto:support@teachitprimary.co.uk) or call us on 01225 788851. Alternatively, you might like to give some feedback for other Teachit Primary members – you can do this by adding a comment on the [Introducing French curriculum pack](#) page on Teachit Primary (please log in to access this).

**Section 2: Nice to meet you** (Statutory requirements covered: 1, 2, 3, 4, 5)

**Purpose:** Children should learn a variety of ways to greet a person in French and to say “goodbye”.

*Quick ‘n’ easy:*

- Ask children how to greet someone and say “goodbye” in French. Most children know the words “*Bonjour*” and “*Au revoir*” and will enjoy demonstrating their knowledge.
- Introduce the word “*Salut*” as an alternative (informal) greeting and ask children to greet their partner. Form a circle and invite children to take it in turns around the circle to either shake the hand of the person next to them or to wave at them and greet them in the appropriate corresponding way.
- Use a selection of photo cards showing different people – if possible include photographs of members of your school community – and ask children to decide how they should greet each of the people shown; with a more formal “*Bonjour*” or an informal “*Salut*”.
- Invite TAs, parent helpers or older children to pop in and encourage children to greet them in French. And don’t forget to reinforce the new vocabulary by using it at the beginning and end of the day and for the register!

*Time for more?*

- Introduce the question “*Ça va?*” (How are you?) and the possible responses: “*Ça va bien merci!*” (I’m well, thank you!), “*Pas mal*” (Not bad) and “*Ça va mal*” (Not very well). You may want to use enlarged versions of some of the picture cards in [resource 22529: Greetings game](#) to introduce the new phrases. This resource also outlines a selection of simple games to reinforce which of the responses is most appropriate.
- Invite children to ask the question of a partner and then they respond with a variety of responses. Children will enjoy pulling happy/grumpy/sad faces at one another to match the responses!
- Use traditional stories as scenarios for children to imagine the response characters would give to the question “*Ça va?*” at different points in the story. For example, how would Red Riding Hood respond to the question if asked when she arrived at her grandmother’s house? Or what about the Little Pigs when their mother first sets them off to build houses of their own? Puppets can be used to act out the question and response activity. [Resource 22530: What would you say?](#) provides a simple template for children to record appropriate responses to different situations.

### *How are we doing?*

---

- A game of Snap makes for a fun plenary and is a useful assessment tool. Use either blank playing cards with the phrases written on them or [resource 22533 Bonjour- bonjour!](#) as an interactive snap game for your IWB.

### *Taking it home:*

---

- Encourage children to show off their new vocabulary by practising with family members at home. Use word fans so that they have a reminder of the phrases they have covered. Children can then report back on situations where they were able to use the phrases.

### *Looking for a challenge?*

---

- As the children to create simple plays which demonstrate the possible responses – props at the ready!

### *Giving a helping hand*

---

- Create simple facial expression masks – old ping pong bats work well – to hold up when the corresponding responses are given to the question “*Ça va?*” These will provide a visual reminder to link the different phrases.

22529 Greetings game - French.....	5
22530 What would you say?.....	8
22533 Bonjour – bonjour!.....	9

Two friends saying hello!

Two strangers meeting

He is not very happy!

He is feeling great

He is feeling ok

Goodbye!

Salut!

Bonjour

Ça va  
mal

Ça va  
bien!

Pas mal

Au revoir

### Before you start:

Cut out and laminate the cards (pictures and corresponding phrases), ensuring there are two sets for every pair of children.

### Games to play:

#### Greetings pairs

---

- Give each pair of children a single set of cards to play as a pelmanism game.
- Lay all the cards face down and take turns in turning over two cards. If they turn over two matching cards (a picture and corresponding phrase) they keep them.
- The winner is the player with the most pairs.

#### Snap!

---

- Shuffle two sets of the cards and deal them out equally between two players.
- Players make a pile of their cards and each turn over the top card on their pile at the same time.
- If they match, the first player to shout Snap! wins the pair. If they don't match, the top card on the first pile is returned to the bottom of the pile and play continues.
- The winner is the player with the most pairs at the end.

#### Say what you see

---

- Use two sets of the picture cards face down on the table.
- Players take turns to turn over a card and say the corresponding phrase. If they get it right, they win the card. If not, the card is returned to play.
- The winner is the player with the most cards at the end of the game.
